

Kangen Ukon & Honey

SOAP

Taking advantage of Okinawa's natural blessings

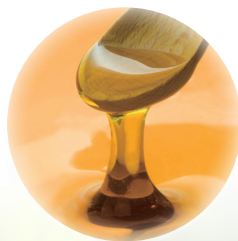

Freshly harvested from our Ukon Garden.

Ukon (turmeric)

Full of vitamins and minerals, ukon also contains curucumin, which is great for healthy-looking skin.

Honey

Rich in vitamins, minerals and amino acids, which are all essential for soft, beautiful skin. Feel the difference with this highly absorbent moisturizer.

Citrus depressa

Contains a variety of nutrients such as vitamin C, B1, carotene, and a range of other beneficial minerals effective for clear & radiant-looking skin.

This "living soap" is carefully crafted by a traditional "bar soap" maker with specially selected natural ingredients.
