Kangen Ukon® Tea

Made from Okinawa
Autumn Ukon (Turmeric)

還元 ウコン茶

Turmeric “Ukon” belongs to the ginger family. Tea made from Ukon has been considered Natural and Healthy since the Ryuku Dynasty, aging from 1429 -1879.

- Kangen Ukon® Tea can be served hot or cold.
- Contains an abundant amount of curcumin, cultivated in the northern part of Yanbaru, Okinawa.
- Easily enjoyed and full of natural, healthy benefits.
- No preservative, artificial color, additive substance is used. Please enjoy as soon as possible after opening the package.
